Personal Handicap Adjustment

The Personal Handicaps allocated to each helm are published at the start of the year and at regular intervals during the sailing season.

Personal handicap times apply to the helm regardless of which boat they are competing in.

Helms whose personal handicap time is shown as “-” start before the standard pursuit start time for the boat that they are racing, those shown as “+” start after the standard time.

The handicaps are adjusted after each race in the Personal Handicap Series.

Handicap adjustments only apply to helms that finish a race, helms that retire will be scored as such and will not receive any handicap adjustment.

Individual helms personal handicaps will be capped at +/- 7 minutes

The adjustments that apply are as follows:

Up to and including 5 finishing boats:

Winner	+ 30 seconds
Last place	- 30 seconds

6 to 10 finishing boats, inclusive:

Winner	+ 60 seconds
2nd place	+ 30 seconds
Penultimate place	- 30 seconds
Last place	- 60 seconds

11 or more finishing boats:

Winner	+ 90 seconds
2nd place	+ 60 seconds
3rd place	+ 30 seconds
3rd last place	- 30 seconds
Penultimate place	- 60 seconds
Last place	- 90 seconds
